A NEW CHALLENGE FOR A NEW WORLD

The Extreme Tech Challenge - XTC® global competition is dedicated to equipping a new generation of innovators with the resources, expertise, and support to address the world's biggest problems.
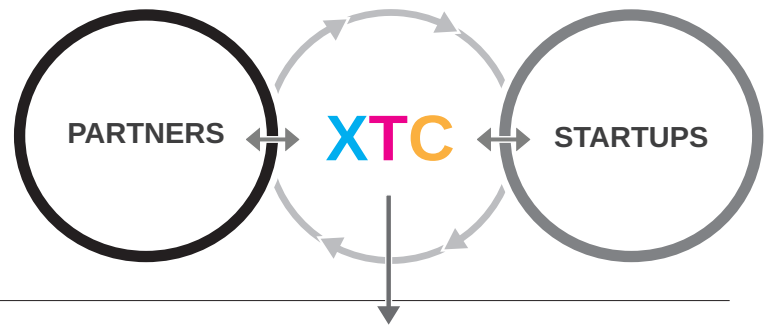

XTC is a non-profit organization supported by leading corporations, VCs, universities and institutions.

The United Nations 17 Sustainable Development Goals serve as the framework for the XTC competition.

XTC nurtures the global entrepreneurial ecosystem by supporting new business ventures with viable, commercial technology that can directly impact the UN goals.

SOLVING WORLD CHALLENGES WITH INNOVATION & PARTNERSHIP
